

### Report 3:

**Due date:** Saturday, November 6, 2021 at 11:59pm

**Note 1:** Only one submission per group. Please always write all the members names on top of your file.

**Note 2:** Please type your answer.

**Note 3:** Please remember to cite your references.

.....

Please answer the below questions:

1. What dataset have you chosen? Explain it. (number of images, size,..)
2. Explain the details you have learned from your chosen algorithms? (Specify what each person has done)
3. Have you read any new publications? What are those?
4. Any challenge you faced during this week? If so, how are you planning to resolve it? Any solutions or ideas?
